

COACH EDUCATION

DIARY SUPPORT WORKSHOPS

Date: Wednesday 11th December 2013

Time: 6.30pm – 8.30pm

Venue: EIS Sheffield, Collieridge Road, Sheffield, S9
5DA

This **FREE** workshop is aimed at coaches who are currently undertaking a Coach Level Qualification (Athletics Coach, Children's Coach, or CiRF) and have completed Day 3, but have yet to submit their Diary for assessment.

The workshop will be structured in such a way as to provide a recap of key aspects of completing the diary (for example profiling, goal setting, planning, session plans and review/reflection), as well as offer an opportunity for any specific questions / areas for concern to be raised.

The workshop is being delivered by a UKA Tutor / Assessor with a view to being able to provide appropriate support and guidance to those coaches currently at this stage in their qualification.

To book your place on this free workshop, please email pmoseley@englandathletics.org to reserve your place. Please also state the workshop you would like to attend.

If for any reason, you are unable to attend this Workshop, but you would still like some support during this period, then please do not hesitate to contact Paul and he will look at how best we can provide the appropriate support you may require.
